

# **Global Webinars 2020 - WineTutor.tv**

Encouraged by the popularity of the first series of WineTutor.tv global webinars we held in April 2019 we are repeating them once again but earlier in the academic year for 2020. We'll be delivering the "How to Pass Practical" and "How to Pass Theory" courses in our virtual classroom on the dates below. The webinars won't provide a silver bullet to pass the MW exams but they'll equip you with the tools you really need and a road map to success.

Praise for the 2019 webinars:

*Your sessions on the practical and theory exams were invaluable to my preparation for the S1A. Because of your seminars, I finally understood what was expected and HOW to study. They were only one month before the exam, but in that month I was 100 times more effective in preparing and no longer felt like I was spinning my wheels*

- Matt Perrella (USA)

*Thanks so much - I have progressed more in the last few days than the last few months!*

Sarah Andrew (UK)

*It was the most valuable discussion relating to the program that I've had to date. Your advice was incisive and refreshingly fundamental. I now feel I have a definite pathway towards the goal. I've also had a real jolt of motivation and inspiration as a result.*

Ben Haines (Australia)
