

Zoom Webinars December 2020 - WineTutor.tv

Updated 18.11.20 - Global time now fully booked , spaces still available for Euro time

Back by popular demand we're running our "How to Pass Practical" & "How to Pass Theory" classes in the Zoom classroom next month. The webinars won't provide a silver bullet to pass the MW exams but they'll equip you with the tools to give you the best shot at getting over the line. We'll provide the road map but you've got to drive the car yourself.

Praise for WineTutor.tv webinars:

Your sessions on the practical and theory exams were invaluable to my preparation for the S1A. Because of your seminars, I finally understood what was expected and HOW to study. They were were only one month before the exam, but in that month I was 100 times more effective in preparing and no longer felt like I was spinning my wheels

- Matt Perrella (USA)

Thanks so much - I have progressed more in the last few days than the last few months!
Sarah Andrew (UK)

It was the most valuable discussion relating to the program that I've had to date. Your advice was incisive and refreshingly fundamental. I now feel I have a definite pathway towards the goal. I've also had a real jolt of motivation and inspiration as a result.

Ben Haines (Australia)
